

Careers

Welcome to Ardrossan Academy! Here you will begin your secondary school career journey and learn career skills which will help you through school and beyond!

You will have the opportunity to sign up to My World of Work and become a My World of Work Ambassador. This will give you an opportunity to develop your leadership skills through helping with school career events and helping next years' primary sevens when they come to visit just like you visited last year!

Check out www.myworldofwork.co.uk to get you started on your journey!
