May 2020

Dear P7 Pupil,

This is an important message from Ardrossan Academy:

We want you to know that although we haven't met you all and spent much time with you, we have been learning lots about you. We know all the lovely things that your primary teachers have said about you. We know what many of your strengths and talents are and we know the things that you might need a little more help with.

We were sad to miss out on the Induction Days but we are working hard to plan for the day when we do get to meet you properly and welcome you to our great school. Over the next few weeks we will be delivering information, including your free school tie and a pupil booklet with information about the school, to your home address. Look out for staff who are delivering this and if you can, say hello from a safe distance. We are also going to put information and some lessons from different departments on our own special P7 Transition GLOW blog and on the school website so that you can try out the activities and get to know more about us too. You will be added to the blog and can also find us at our website www.ardrossanacademy.co.uk

We don't want you to worry about moving up to secondary school. We will be ready for the day you arrive and are excited to meet you all. We are looking forward to finding out more about you and help you through your first days at Ardrossan Academy.

We want you all to know that when you do start in August, you will be part of a big welcoming family at Ardrossan Academy. We can't wait to meet you!

Best wishes,

The staff of Ardrossan Academy
